### What to bring...

- A spare change of **LABELLED** clothes (including pants, undies, socks, jumper, shirt and shoes). If your child is toilet training it is suggested that you pack up to 3 changes of clothing.
- Winter clothes e.g. a hat or beanie and a jacket
- Summer clothes e.g. a sun hat & long sleeved top
- Nappies or pull-ups if needed
- A blanket if your child sleeps during the day and a pillow case to store them in
- Any on-going medication (marked clearly with their name)

### What not to bring...

Please **do not** bring in any toys from home it can be distressing for your child if they are lost, broken or misplaced. 'Home toys' will be placed in a box beside the front door for collection. Attachment items are acceptable for rest time only (i.e. their teddy, blanket or dummy).

### General Information

- Please label **ALL** of your child's clothing items. Any unlabelled items will be placed into the lost property basket located on the bench as you enter the Centre. Any items unclaimed will be donated to charity at the beginning of each month.

- If your child is being picked up by anyone other than their parents or legal guardians, you are required to complete & sign a pick-up form ('one off' or 'on-going' forms are available on the website or upon request). Please confirm that morning during drop off or by phone later to the Centre if your child is being picked up by another person. If staff are unfamiliar with them, the staff will ask to view photo id to confirm their identification.

- If you wish to spend time with your child in the Centre it is more beneficial if this is done at pick up time. It is recommended that you keep morning drop offs brief but we ask that you always say goodbye to your child when leaving them.

- If your child needs medication (including antibiotics, medicated creams, eye drops etc.) you must fill out and sign a medication form. Medication should be given to an educator for appropriate storage.

If your child has allergies & has an Action Plan, please bring it with any medication e.g. EpiPen, ventilators and diffusers clearly marked with their names. Please ensure that we have current medication

- QKEYLM is an online program we use to record your child's activities & progress. A link, 'User name' and instructions will be sent to you on your child's enrolment.

## 2019-2020 Transitions

### **Room Transition Policy**

*Policy Directive: It is intention with this policy to set forward requirements of transitioning children between rooms to ensure a successful transition. Transitions are times where children move between and adapt to different spaces or places and with different educators. Baringa Childcare Centre endeavours to provide children and families with a smooth transition between rooms to ensure the child is comfortable and supported in their new setting. Transitions occur throughout the year according to availability, age requirements, learning and development needs.*

### **Requirements**

- Ensure that transitions are successful by building on the commonality between environments and supporting learning and development in ways that connect with a child and their family.
- Understand that all children are different and respect each child responses to transitions.
- Actively support transitions using appropriate methods such as transition activities and regular visits to the new room prior to start date.
- Encourage all stakeholders to promote inclusive practices with families, children and educators to ensure a smooth transition.
- Team leaders are to review and collate the information provided by families and previous educators to inform future program planning to address the child's routine, strengths, needs and social groupings.
- Create continuity that involves building on children's prior and current experiences to help them feel secure, confident and connected with people, places, events, routines and understandings.
- Team leaders are to ensure that all information including ongoing forms, dietary requirements and additional information are up to date and received by the new Team leader prior to the child's official start date.
