1. National Quality Standards

Area	Concept	Descriptor
7.1.2	Management Systems	Systems are in place to manage risk and enable the effective management and operation of a quality service.
7.1.3	Roles & Responsibilities	Roles and responsibilities are clearly defined, and understood, and support effective decision-making and operation of the service.

2. Purpose

Baringa aims to provide a quality education and care service at an affordable price to families.

The purpose of this policy is to provide families with a clear understanding of how the Board determines childcare fees, when/how fees must be paid and the consequences of non-payment.

3. Scope

This policy applies to all families of children enrolled at Baringa, including permanent and casual bookings.

4. Policy Statement

Annual Membership Fee

- 4.1 Baringa is a not-for-profit community association. All families are required to become members of the association and pay an annual membership fee.
- 4.2 The Board of Directors determines the annual membership fee from time to time.
- 4.3 Membership years align with the association's full financial year, currently from 1 July to 30 June.
- 4.4 Except during the first year of enrolment, the annual membership fee is invoiced to all enrolled families during March each year for payment no later than 30 June each year. In the first year of enrolment only the annual membership fee is payable within four weeks of the first day of care.

Centre Improvement Fund

- 4.5 The Centre Improvement Fund was previously financed by fundraising ventures. After the consideration of the costs involved to parents in fundraising exercises and the lack of willing participants to organise such activities, the Board decided to charge each family a fee, payable each calendar year.
- 4.6 The Centre Improvement Fund provides for improvements to the playground equipment and outdoor surrounds of the Centre as well as the improvement of other areas that are not specifically provided for within the budget. The Board will determine appropriate ways to improve the Centre from time to time.
- 4.7 An annual payment is payable to the Centre by each family. The fee will be reviewed by the board annually. Currently the fee is \$50.00 per annum per child. During your first year of membership only, the fee will be pro-rated as set out in the following table.

Date First Joined	%	Amount
1 July to 30 September	100%	\$50.00
1 October to 31 December	80%	\$40.00
1 January to 31 March	60%	\$30.00
31 March to 30 June	40%	\$20.00

- 4.8 Except during the first year of enrolment, the Centre Improvement Fund contribution is invoiced to all enrolled families during March each year for payment no later than 30 June each year. In the first year of enrolment only the annual membership fee is payable within four weeks of the first day of care

Child Care Fees

- 4.9 The Board of Directors determines child care fees from time to time, including with reference to the Centre's approved budget and periodic financial performance. This usually means that fees are increased at least once a year.
- 4.10 The same daily fee applies centre-wide, for all equivalent care arrangements.
- 4.11 The Board will provide families with a minimum of fourteen (14) days notice of any proposed fee increase.
- 4.12 The current fees are:

Type	Hours	Fee
Weekly	7.30am to 6.00pm	\$513.00
Daily	7.30am to 6.00pm	\$107.00
Morning	7.30am to 1.00pm	\$69.50
Afternoon	1.00pm to 6.00pm	\$69.50
Late Fee	\$15.00 for the first 5 minutes \$5.00 for every 5 minutes thereafter	

- 4.13 Fees are paid for the days your child is booked into the Centre, including times when your child is absent due to illness.

Child Collection Late Fees

- 4.14 Whenever possible the parent/guardian should ring the service to advise they will be late to collect their child.
- 4.15 A late collection fee will be charged to parents/guardians for each child not collected from the service by the end of their session timeslot.
- 4.16 The fee charged for late collections is determined by:
- (a) the service's need to recoup expenses incurred in employee overtime wages;
 - (b) the need to deter families from making a habit of late collections; and
 - (c) special circumstances i.e. traffic accident or vehicle breakdown, will be given consideration in relation to the administration of late collection fees.
- 4.17 When a parent/guardian is regularly late arriving at the service to collect their child, the nominated supervisor will discuss other childcare options with the family (see 'Delivery and Collection of Children' policy).

Illness

- 4.18 Parents/guardians should contact the Centre to advise their child's inability to attend as soon as this is known. Fees will still be required on days the child would normally attend.

Vacations

- 4.19 For holidays a holding fee of half your regular fee is required. Holding fees are only available for a full week (Monday to Friday) or more – to a maximum of 4 weeks per financial year.

Public Holidays

- 4.20 The Centre is closed on Public Holidays. Families are required to pay for public holidays if the holiday falls on a day when their child is normally booked in to receive care.

Christmas Stand-down

- 4.21 The Centre is closed on Christmas Day and re-opens on 2 January (or the next business day after 2 January). Families are not required to pay fees during this period.

Withdrawing

- 4.22 Two weeks' notice must be given when withdrawing a child from the Centre.

Fee Statements

- 4.23 The Centre understands the importance of maintaining accurate fees statements and providing clear information to families on fees payment processes. Fee statements are available on request and through Qikkids.

Invoicing

- 4.24 Families are invoiced fortnightly in arrears.

Payments

- 4.25 Fees can be paid weekly, fortnightly or monthly via direct deposit at any Commonwealth Bank branch, by electronic funds transfer or by direct debit.
- 4.26 The Centre does not have on-site merchant facilities and staff are not permitted to accept cash.

Direct Debits

- 4.27 Direct debit is the Centre's preferred payment method.
- 4.28 Direct debit can be setup from a bank account or credit card. Fees will be surcharged at cost, and you will need to sign a direct debit authority.
- 4.29 The Centre Directors will monitor direct debits and try their best to promptly contact families about any declined payments. However, families should try their best to let Centre Directors know in advance if their direct debit will be declined. The Centre Directors may place a direct debit on hold if needed, with permission from the account holder.
- 4.30 The Centre Directors will try their best to inform families in advance if there needs to be a change to the amount that is direct debited, for example to ensure that accounts do not fall into arrears.
- 4.31 Direct Debit systems will be periodically reviewed to evaluate their continuing effectiveness.

QikKids

- 4.32 The Centre uses the software platforms "QikKids", "QK Kiosk" and "QikPay" to manage enrolments, fees, attendances and billing. It is mandatory for all families to create and maintain an account including up to date contact and billing information.

Child Care Subsidy

- 4.33 It is the responsibility of parents/guardians to complete and lodge their Child Care Subsidy (CCS) application with Centrelink.
- 4.34 Families will only be eligible for CCS if child care attendance records are accurately completed and signed by the parent/guardian or other responsible adult, and other eligibility requirements are met.
- 4.35 All documentation pertaining to CCS will be kept according to law and shared with government authorities as legally required.
- 4.36 The Centre Directors will have a working knowledge of CCS requirements and will act as the authorised contact person for CCMS. They will be trained in the implementation of CCMS reporting CCS payment procedures.
- 4.37 All families must sign a Complying Written Arrangement (CWA) agreement with Baringa Child Care Centre, confirming the agreement between Baringa and families of the permanent care arrangements and entering into a paid service agreement.
- 4.38 From 2 July 2018, all CCS recipients are subject to a minimum 5% withholding. The Centre will not require parents to make up this gap, until 30 September 2019 for the financial year ending 30 June 2019. Ditto for each successive financial year thereafter. Where a family elects to implement a higher withholding rate, the family must pay the difference weekly/fortnightly/monthly as part of the normal billing cycle.

Overdue Fees

- 4.39 Baringa is a community based non-profit organisation. As such, we are obliged to meet all the cost of running the Centre (e.g. salaries, food, equipment, rent, insurance etc.) and the financial security of the Centre depends entirely on the prompt payment of fees. By keeping costs to a minimum, the Centre has been able to offer parents quality childcare services at very competitive rates.
- 4.40 Families will be regarded as having overdue fees where their account balance has been on average more than \$1,026 (two weeks of full-time fees) in debit for more than eight (8) consecutive weeks.

- 4.41 All repayment arrangements will be put in writing and families will need to make the agreed repayments via direct debit.
- 4.42 Where repayment arrangements are not made, or the agreed arrangements are not kept, the Centre Directors may require families to move onto a direct debit arrangement for all future fees. In addition, the following procedure will apply:
- (a) After one week overdue – a polite email reminder will be forwarded to the parent/guardian.
 - (b) After two weeks overdue – an email advising that the place may be cancelled if the account should become three weeks overdue. The letter will include a reminder that parents/guardians are encouraged to discuss payment difficulties and make suitable arrangements to pay with the nominated supervisor.
 - (c) After three weeks overdue – if no arrangements to pay have been made or kept, the place will be cancelled.
- 4.43 The Centre Directors will inform the Board where families are in arrears in excess of six (6) weeks and where no progress is being made on rectifying the situation.
- 4.44 Families with overdue fees are encouraged to discuss their situation with the Centre Directors.
- 4.45 Families who are taking no proactive and genuine steps to pay their fees, or who persistently demonstrate failure to pay fees, should expect that their child's place at the Centre will be withdrawn and given to the next person on our waiting list.
- 4.46 The Centre reserves the right to:
- (a) charge a fair and reasonable rate of interest on all overdue fees; and
 - (b) recover from families in full, all legal costs and disbursements incurred by the Centre to recover overdue fees.

Financial Hardship

- 4.47 Families experiencing hardship are encouraged to discuss their situation with the Centre Directors.
- 4.48 The Centre Directors are able to provide information and assistance about payment options and have standing authority to negotiate payment arrangements to clear arrears within a period not exceeding six (6) weeks.
- 4.49 In an appropriate situation, the Centre Directors also have standing authority to suspend payment obligations for up to four (4) weeks. Longer requests for time to pay or longer requests for suspension of payments must be approved by the Board. Suspension does not mean free childcare; the fees will still need to be paid eventually, under a payment plan.
- 4.50 The Centre Directors are able to provide general information and assistance about options for additional government assistance with childcare fees such as the Grandparent, Transition to Work or Temporary Financial Hardship Additional Childcare Subsidies.

Privacy

- 4.51 Details of an individual's account and all completed forms kept by the service will be confidential and stored appropriately. Individual families may access their own account records at any time. Please refer to the 'Privacy Policy' for more information.
